Berlin Trip 2017 Can pupils please ensure a second payment if made for the Berlin Trip before the October break.

Return of folio work Art & Design

Any pupil from last year's National 5/Higher wishing to pay for the return of their folios should add their name to the list in the Art department. The fee for the return of both folios is £5 and this will only be charged when the folios are returned to school, in November/December. The **deadline to request the return of work is Friday 16 September**. This gives you ample time to add your name to the list, if you would like your work returned.

The department will also request the return of additional folios to use as future exemplars from the SQA. If you have not asked for the return of your work by the deadline it may be requested by department.

Any folios requested by the department will be paid for by the department. These folios will not be available for return at a later date, as they will be the property of the Art department.

University Open Days and Careers 2016-17 new Information for S6 pupils Here
