	<u>Notes</u>
3.)	<p><u>Clubs</u></p> <p>Knitting club: Mrs McNab can't run the club, would have to approach another teacher if pupils are interested</p>
4.)	<p><u>Improvements</u></p> <p>More bins in front playing field: - perhaps relocate bins that are used less to places more in need?</p> <p>Place to put school bags: signs have been put up and pupils have been made aware – perhaps mention signs and their location to form classes as a reminder</p> <p>House badges: wouldn't be compulsory, badge in house colour with only house initial on it was decided – more information to come later</p> <p>New side entrance door knobs: checking with FES re. perhaps replacing them</p> <p>Sort wi-fi issues: Security issues prevent the school from having wi-fi, so nothing can be done</p> <p>Why did PE buy new i-pads when other departments lacked funding? : The PE department applied for a government grant which allowed them the extra funding needed to buy the i-pad technology</p> <p>Same Word Document software on all computers: the technicians are in the process of updating the computers to the same Word program</p> <p>Refills of soap in toilets: When soap dispensers are empty, pupils need to inform the janitors or office staff to arrange refill</p>

7.)

Uniform

Be able to leave school in PE kit: too many health and safety issues raised such as , best to leave school in uniform

Outdoor jackets: wouldn't be compulsory, need to ask form classes if pupils would prefer simple SHS stitching on the jacket or not

Skirt length – too short? : to be taken back to the Board of Studies and discussed
