	<u>Notes</u>
2.)	<p><u>Improvements</u></p> <p>Knitting club: original plans fell through Mrs Mcloughlan is looking for another volunteer.</p> <p>Subtitles on TVs in the hub: have spoken to Mrs Togneri, Sony and FES have been contacted and are going to look into the signal coming into the school to sort the problem</p> <p>Air Fresheners in changing rooms: Heath and safety issues prevent normal air fresheners being used (possibility of causing asthma attacks in some pupils).</p> <p>Anti-bullying system: Will be main focus of agenda at the next meeting</p>
3.)	<p><u>Sports</u></p> <p>New kits for football/sports: Mrs Abernethy has applied for funds to buy new kits for different sports</p> <p>New astroturf: the turf we have at the moment is too new to be replaced, new turf is too expensive, perhaps play football on the grass instead.</p>
4.)	<p><u>Catering</u></p> <p>Different juice/hot drink selection: ask canteen staff member to attend next meeting</p> <p>More “pizzini”s, more food stalls, cheaper options for lunch: Need to talk to canteen staff about making more pizzinis available, with a greater selection of fillings, and about more stalls and cheaper food options.</p> <p>Vending machines: not an option due to the Healthy Eating scheme put in place by the council</p>

	Bought lunches brought into school: Taken back to Board of Studies
5.)	<u>Uniform</u>  School jackets: Priced at around £35  Skirt length: Board of studies agree with concerns about skirts being too short, perhaps sending a letter home to alert parents to problem and a suitable length would help  House badges: Slightly smaller than prefect badges, around £2-3
