Dear S2 Parent/Guardian

Google Guardian Summaries

Your child has been using Google Classroom on their Chromebook in different classes since starting at Stirling High. Google Classroom allows class teachers to share announcements, ask questions and issue work. Your child and their teacher can send information and resources to each other and track progress throughout the year.

We will shortly be using Guardian Summaries in Google Classroom with all S2 Parents. Guardian summaries allows us to send you a weekly email highlighting your child's progress in Google Classroom. **The focus will be on homework and to give you an insight in to what your child is currently learning.**

You will receive one email every Friday with a summary of the announcements, questions and homework that your child has received from their teachers. Missing work that has not been completed will be highlighted. All homework will be **issued** via Google Classroom and whilst some of the homework will be completed online using their Chromebook, other homework exercises will continue to be written and completed in a jotter or as part of a folio.

We hope this new addition will give you more of an insight into what your child is currently learning and give you the opportunity to sit with your child and ask questions and look at homework together.

What happens next?

You will shortly receive an email asking you to accept an invitation. If you do not want to opt in you simply ignore the invitation. If you would rather we used a different email address, please just let me know.

When you accept an invitation, you, your child, and the school receives a confirmation.

We will be seeking feedback on our use of Google Summaries in 6 weeks time. If successful, we will roll it out to other year groups in the school.

I would encourage you to get in touch with me at any time if you have any questions by emailing me – hamiltona06s@glow.sch.uk

You can also read more about Google Guardian Summaries [here](#).

Yours faithfully

A handwritten signature in black ink, consisting of a stylized 'A' followed by a horizontal line that curves slightly upwards at the end.
