1.	Notes	Action
2.	<u>Review of the previous minutes</u>	
3.	<u>Timetable feedback</u> Most pupils are happy that at the end of the week school finishes earlier but the earlier start is causing concerns that some parents that bring their children to school wouldn't be able to arrive earlier in the morning.	
4.	<u>One way system at lunch and break</u> Following the success of removing the one way system at the end of the day, some have asked for this restriction to be removed during lunch and break as well. There is a risk of injury with this as people rush down to the hub but this is currently the case.	There is the option for this to happen but it would have to be ironed out first. It will be reviewed at the next meeting
5.	<u>Soap Dispensers</u> The soap dispensers are still being vandalised. There is currently no feasible option to fix this issue.	This will be reviewed at the next meeting.
6.	<u>Outside Basketball Court</u> There is currently a basketball court in beechwood park but pupils aren't allowed to access this during break. There was once a hoop located in the school grounds but this has been removed.	Location and cost for a new hoop is to be discussed with Miss Abernathy.
7.	<u>Teacher Uniforms</u> Teachers already dress smartly and the uptake of a uniform would be small.	
8.	<u>P.E. Water fountain is broken</u>	Correct as of our meeting: The water fountain has now been fixed.
9.	<u>Late Policy</u> Currently nothing wrong with the late policy, nothing to change.	
10.	<u>More food stalls</u> Another pasta king line is currently being discussed with the kitchen staff.	
11.	<u>4G Astro Turf</u> It is too expensive for the school and we currently have a pitch as well as a large grass field.
