Dear Parent/Carer

Stirling High Car Park

Now that the weather is deteriorating, we have noticed an increase in the number of parents picking up their children by car.

Unfortunately - and dangerously - some parents are parking in the bus drop off area. This is made more chaotic when other parents double park in front of the already parked staff cars and some parents are parking on the main road on the double yellow lines.

This prevents the Gargunock bus gaining access to the bus drop off area and the driver stops the bus in the only space available which is the only route out of the front car park. No-one can move until the children are all on board and the bus moves off.

The whole area at the front of the school becomes gridlocked.

We have seen children walking out between parked vehicles and several potential collisions that thankfully were near misses.

Could I ask you respectfully not to park at the front of the school at all? Please use the side car park or park further away from the school. Staff will be outside next week directing the traffic at the end of the school day.

Many thanks for your support in this matter.

Yours sincerely

Lesley Allen
Acting Headteacher

In our caring community we aspire to provide stimulating and challenging experiences that will enable all learners to develop the skills, knowledge, attitudes and values that will prepare them for life today and in the future.
School Values: Friendship, Achievement and Respect
