Principia Schools' Conference would you like a chance to see and, possibly, meet Tim Peake?

Can you remember running, cycling, swimming and walking to the ISS? Did you find out about the Goldilocks Zone or build models wearing gloves? Perhaps you carried out a controlled experiment to grow seeds from space. If so we need you.

Stirling High School has been awarded 6 places for pupils to attend the Principia Schools' Conference at the University of York on Saturday 5th November. Tim Peake will be there to find out what you did to support his mission on the ISS.

We are currently looking for any pupil in S1, S2 or the Eco Club who is interested in this fantastic opportunity in York to submit a brief application form. These can be collected from Dr McDonald Room 213) any time on Friday 7th October. Applications must be returned on Monday 17th October.

The main costs of the trip, such as travel, are being covered by the Principia project.

Tuesday 4th October

World Space Week 2016 today is the start of World Space Week. On the 4th October 1957 Sputnik 1, the first artificial satellite to orbit the Earth, was launched by the USSR. It marked the start of the space age. Since then satellites and their uses have become more and more sophisticated. To celebrate World Space Week 2016 all pupils and staff are invited to take part in the Where in the World? Competition. On each day of the week a new image will be posted via the @SHS_Space Twitter feed. Follow the link and identify the location of the image. At the end of the week submit your answers digitally. There is a prize for the winner from S1-S3, S4-S6, and staff.
