Monday 6 February

This Tuesday is Safer Internet Day. You can help to create a better internet by being kind and respectful to others online, by protecting your online reputations (and those of others), and by seeking out positive opportunities to create, engage and share online. You can help to respond to the negative by being 'helpful bystanders': supporting peers if they encounter issues online, taking a stand against cyberbullying, and reporting any inappropriate or illegal content you find. Above all, you need to take a stand as digital citizens of the future – participating in debates on the future of the internet, and making your voices heard.

We are setting up a Selfie Shack in the hub at lunchtime on Tuesday. Pop by to promote our Internet Safety messages and be the change to make a better internet.

Eco Flag The school has been awarded a new Eco-School Green Flag. This is the sixth successive award and there are few, if any, secondary schools in Scotland that can match this outstanding achievement. My thanks go to everyone in our school community who work to maintain our high standards in all our eco-activities in school and with our partners in the wider community. Particular thanks to Mrs Togneri and the fantastic Eco-Group who continue to lead our eco work. There will be an official raising of the new flag on our new flag-pole in the near future. Thank you once again for all your help in achieving the award. Mr Cassidy

S1 boy's football Match tonight at Forthbank after school. All players must meet Mrs Abernethy in Dance studio at interval.
