Stirling Public Lectures Stirling University's annual public lectures have started once again and will be continuing throughout the months of March, April and May. The topics presented cover Mathematics, Statistics and Computing. A full list of the talks can be viewed [here](#).

Look out for posters displayed around the school.

The next talk is **Maths is BEST by Professor Adam McBride. It takes place on Thursday 16th March at 7pm in the University of Stirling, Cottrell Building, Lecture Theater 4B**

Professor Adam McBride is an excellent speaker who inspires all who hear to him talk and infuses enthusiasm into all his listeners. If you have every asked the question "Who would ever use Maths?" this is the talk for you. Go along and find out.

University of Stirling 50th Anniversary: Science Cabaret

It is the University of Stirling's 50th Anniversary! They will be celebrating with a doors open event on **Saturday 18th March**.

The Faculty of Natural Sciences invites you to join their fabulous Science Cabaret. The show will feature a diverse selection of short, highly visual presentations disclosing thought- provoking facts and stimulating topics which represent much of the research carried out in the Faculty of Natural Sciences. They are running two completely different hour long sessions and you are welcome to book into one or both. They will be covering topics ranging from biodiversity, to life on Mars and from facial recognition to microbiology.

Session 1: **10.30 to 11.30am**

Session 2: **Noon to 1pm**

Each session is free, but spaces are limited and so it is recommended that you book a ticket to reserve a place.

Tickets can be booked [here](#) or by searching "community open doors Stirling University"

S3 to S5 Pupils – Medical Careers Event
