Stirling High School's Community Partnership (Parent Council) 'Your Place Your Priorities' bid will be presented on Saturday 24th March from 10am to 1pm

As part of our Parental Engagement strategy, and to encourage more parents to become part of our Community partnership, we would like to engage parents through a series of baking/cooking workshops. The workshops would be based in the community and we would be looking to engage parents and carers who we feel are currently under represented within the Community Partnership. This would be a 6 week block of cooking/baking and parents/carers would be consulted on the cooking experiences that they would like to take part in. The initiative will be led by Riverside Bakery, a community supported bakery that is currently doing excellent work within the Hillview Community Centre.

Everyone in our community is invited to be part of the audience on Saturday 24th March. The audience will vote on all the community ideas being pitched by a range of groups and organisations and the ones with the most votes win. There are 52 projects that are participating. Everyone in the audience has 5 votes and must use them for 5 different
