Dear Parent/Guardian

Stirling High School is very proud to be an Eco School and as such we are always looking for ways to reduce the amount of paper we use. Alongside this we are also a digital school and are constantly striving to enhance our use of IT, with this in mind we would like to increase the effectiveness of the way we communicate with our parents and guardians by giving you access to school information electronically which would allow you to receive updated, relevant information directly on our website and via email.

If you would prefer not to receive information electronically please complete the tear off slip below and return to the school office.

Thank you for your support.

Correspondence to Parents/Guardians
